

Greeting Friends:

Happy new year to you all. My hope is that this letter reaches you and finds you in good health; physically, mentally and emotionally. Personally, my year started off a little "bumpy" with surgery to remove a bone spur on the top of my foot. Everything went well and I have been promised that my golf shoes are sure to be more comfortable now.

I would like to recognize and salute one of the founding members of the Lake Area Club. John Sinitaki came to the LAC when it was at the Old Schoolhouse. He was instrumental in the planning and building of the current building and has been a steady force at the club throughout the years. John was Secretary of the very first non-smoking meeting at the Club, has been on the board of directors and most recently on the board of trustees for the club. He just stepped down from that roll, and on behalf of both boards and personally, I would just like to sincerely thank him for all the years of service to this Club especially, but also to the entire recovery community of Lake Country.

Speaking of service to the club, Buzzards Roost Recovery Weekend is fast approaching. This year it will be held on March 1st and 2nd with speakers Saturday morning and evening and Sunday morning.

As always, breakfast will be served both Saturday and Sunday mornings. Tickets have been distributed to the Sales force so be on the lookout and please purchase yours for you and your guests. This is a great event to showcase the recovery stories in Lake Country as well as all of the meetings and fellowship available at our wonderful club. There is a volunteer sign up sheet on the front counter of the club. Please consider helping us out as we try to deliver a successful event and wonderful experience to all who attend. The speaker line up is in the process of being finalized and as soon as it is we will post it at the club and on the website at lakeareaclub.com. Personally, I would just like to thank everyone, too many to name, that help make this recovery weekend such a magical event. It is just another of the many reasons that makes being President and more importantly, a member of this amazing club such a special and humbling experience. Thank you all for allowing me to serve and I hope to see you all around the club in the coming months.

Humbly yours,
Jedd M. Jacobson
